HAND PALLET TRUCK

2.5–5 tonnes

Low cost...
High quality construction

Top quality does not need to come at a high price. Our low-cost hand pallet trucks give you everything you need to do the job - plus a whole lot more. Built to the standards you'd expect from a world-leading manufacturer, these hard-wearing trucks are engineered for maximum strength and durability. Low-maintenance features, such as the quick-fit steer wheel and self-lubricating components which reduces downtime. Like every truck bearing the Mitsubishi Forklift Truck name, every hand pallet truck is supplied with the full parts backup you need to keep your truck (and your business) in action for the long-term.

AWARENESS

Handle Spring

Hand pallet jack handle returns to upright position when released.

Hydraulic Pump

Features controlled lowering rate valve to reduce risk of product damage.

ERGONOMICS

Diamond-Shaped Handle

Designed to reduce fatigue and improve productivity.

Hydraulic Lock / Release Lever

Provides maximum operational control of hand pallet jack via hand-contoured surface.

Fork Tip Entry Wheels

Facilitate insertion of hand pallet jack into pallet fork pockets for easier movement of products.

TOTAL COST OF OWNERSHIP

Heavy-Duty Polyurethane Load Wheels

Supports fully-rated loads.

Temperature-Controlled Robotic Welds

Help to maintain material strength for a more durable pallet jack design.

Baked-On Powder-Coat Paint

Helps to protect your equipment investment.

SPECIFICATIONS

2.5 tonnes

Load capacity	kg	2500									
Part Number		A9900XXXXX									
		70070	70510	70500	70230M	70000	70060	70100*	70350	70010	
Fork width	mm	520			680	685					
Fork Length	mm	1220			1150	1220					
Lowered Fork Height	mm	75	85								
Max. Lift Height	mm	190	200								
Steering Wheel & Roller Material		Nylon	PU	PU	PU	PU	PU	Nylon	Nylon	Nylon	
Fork Roller		Tandem	Single	Tandem	Single	Tandem	Single	Tandem	Single	Tandem

WHEN RELIABILITY IS EVERYTHING...

Like any product bearing the "MITSUBISHI" name our materials handling equipment benefits from the tremendous heritage, huge resources and cutting-edge technology of one of the world's largest corporations – Mitsubishi Heavy Industries Group.

Engineering spacecraft, jet planes, power plants and more, MHI specialises in those technologies where performance, dependability and superiority decide your success or failure...

So when we promise you quality, reliability and value for money, you know it's a guarantee we have the power to deliver.

That's why every model in our award-winning and comprehensive range of lift trucks and warehouse equipment is built to a high specification – to ensure it keeps working for you. Day after day. Year after year. Whatever the job. Whatever the conditions.

YOU'LL NEVER WORK ALONE

As your local authorised dealer, we are here to keep your trucks working – through our extensive experience, our technical excellence and our commitment to customer care.

We are your local experts, backed by efficient channels to the entire organisation of Mitsubishi Forklift Trucks.

No matter where you are, we are close by – with the capability to meet your needs.

Conforms to EN ISO3691-5:2009
Based on Directive 2006/42/EC

Performance specifications may vary depending on standard manufacturing tolerances, vehicle condition, types of tyres, floor or surface conditions, applications or operating environment. Trucks may be shown with non-standard options. Specific performance requirements and locally available configurations should be discussed with your distributor of Mitsubishi forklift trucks. We follow a policy of continual product improvement. For this reason, some materials, options and specifications could change without notice.
